Charles Schwab is collecting the information in this form to comply with legal requirements based on the Organization for Economic Cooperation and Development (OECD) (2014) Standard for Automatic Exchange of Financial Account Information in Tax Matters (referred to as the Common Reporting Standard, or CRS). Capitalized terms not defined below are defined in the CRS.

Please note:

- **This form is for Individual Account Holders only.** If the Account Holder is an entity, please complete the CRS Entity Self-Certification.
- **This form must be signed and dated.**
- Complete all parts of this form as directed and provide all information requested.
- If you have any questions regarding the Individual Account Holder's tax residence or how to complete this self-certification, consult your tax advisor.
- The terms **Account Holder** and **TIN** are defined below.
- If any information on this form becomes incorrect or incomplete, a new form must be submitted within 30 days of the change.
- **Account Holder**
 - For a Depository Institution or a Custodial Institution, the term **Account Holder** means the person listed or identified as the holder of a Financial Account by the Financial Institution that maintains the account. A person, other than a Financial Institution, holding a Financial Account for the benefit or account of another person as agent, custodian, nominee, signatory, investment advisor, or intermediary, is not treated as holding the account. Each account holder of a jointly held account must provide a separate self-certification.
 - For an Investment Entity, the term **Account Holder** means any investor listed or identified as holding an equity (including a partnership interest or an interest in a trust) or debt interest in the Investment Entity. A person, other than a Financial Institution, holding an equity or debt interest for the benefit or account of another person as agent, custodian, nominee, signatory, investment advisor, or intermediary, is not treated as holding the account.
 - For a Cash Value Insurance Contract or an Annuity Contract, the term **Account Holder** means any person entitled to access the Cash Value or change the beneficiary of the contract. If no person can access the Cash Value or change the beneficiary, the **Account Holder** is any person named as the owner in the contract and any person with a vested entitlement to payment under the terms of the contract. Upon the maturity of a Cash Value Insurance Contract or an Annuity Contract, each person entitled to receive a payment under the contract is treated as an **Account Holder**.
- **TIN** means a Taxpayer Identification Number (or a **functional equivalent**). A **TIN** is a unique combination of letters or numbers assigned by a jurisdiction to an individual or an **Entity** and used to identify the individual or **Entity** for the purposes of administering the tax laws of such jurisdiction. Some jurisdictions do not issue a **TIN**. However, these jurisdictions often utilize some other high integrity number with an equivalent level of identification (a **functional equivalent**).
